#### TESTIMONIAL LETTER

Lockwood Publications started a successful business relationship with Targi w Krakowie Sp. z o.o. nearly 10 years ago. Our dedicated team of Project Managers (Katarzyna Marciszyn and Weronika Wirtel) have been absolutely vital to the successful organization and marketing of our annual EuroTab exhibition. Their team is incredibly easy to work with and their professionalism during the planning stages is appreciated by all of our clients. I would highly recommend their services and look forward to working with them in the coming years.
